PLEASE ACKNOWLEDGE RECEIPT OF THIS EMAIL

The report verification process is a free service to members to (1) make sure that our members' reports comply with Standards of Practice; (2) assist the home inspector in correcting any deficiencies in his/her reporting system; and (3) to eliminate as much as possible an inspector's and the association's liability exposure.

Re: 140 West Lane, Moncton and 65 Ouelette St. Aboujagane

Please be advised that the reports you submitted were verified successfully by Harry Janssen, Reporter Verifier, and this will confirm that they meet Standards of Practice.

It is recommended that you print out a copy of this email for your records, and also provide a copy to the CAHPI-Atlantic Registrar for your membership file. The reports will be returned to you.

Note: Please be advised that the delivery of **report verification results** via electronic mail shall be considered sufficiently given when delivered to the last email address as given by the member to his/her Provincial/Regional Association and as recorded in the records of the Association.
